**Emergency medicine physician Dr. John Garrett joins staff at MGMC Thayer**

John Garrett, DO, an emergency medicine physician, has joined MaineGeneral Medical Center's active medical staff at the Thayer Campus.

Garrett earned his degree in osteopathic medicine from the University of New England College of Osteopathic Medicine in Biddeford, ME. He completed his internship and residency in emergency medicine at York Hospital/Pennsylvania State-Hershey in York, PA.

Before joining MaineGeneral, Garrett was assistant director of Emergency Medical Services at UMDNJ-Robert Wood Johnson University Medical Center in New Brunswick, NJ. He also worked as an emergency medical physician at Capital Health System in Trenton, NJ and at St. Joseph Hospital in Bangor, ME.

A Yarmouth resident, Garrett is certified by the American Board of Emergency Medicine.
