Part X, Line 2:

The Company and its affiliates have been determined to be tax-exempt organizations as described in Section 501(c)(3) of the Internal Revenue Code (the Code) and, accordingly, are exempt from federal income taxes on related income pursuant to Section 501(a) of the Code. Accordingly, no provision for income taxes has been recorded in the accompanying

Part XIII Supplemental Information (continued)

consolidated financial statements for these tax-exempt organizations.

The Captive is a limited liability company (LLC) under the Federal Income Tax Code and as a LLC passes its income or loss for federal and state tax purposes to its members.

Tax-exempt organizations could be required to record an obligation for income taxes as the result of a tax position they have historically taken on various tax exposure items including unrelated business income or tax status. Under guidance issued by the Financial Accounting Standards Board, assets and liabilities are established for uncertain tax positions taken or positions expected to be taken in income tax returns when such positions are judged to not meet the "more-likely-than-not" threshold, based upon the technical merits of the position. Estimated interest and penalties, if applicable, related to uncertain tax positions are included as a component of income tax expense. The Company has evaluated the tax positions taken on its filed returns. The Company has concluded no uncertain income tax positions exist at June 30, 2016.
